Stiromatic Instant Plus

Ariete

The Household Genie

Stiromatic Instant Plus

Model: 5576
Category: Ironing Line

Description

Instant evaporation ironing system graced with a modern and super compact line. Its transparent tank can be re-filled at any time while ironing, and steam becomes ready in a very short time. Iron stand with non-skid rubber caps and professional iron with aluminium plate and cork handle. Its handy cord storage device built into the base makes the space required for storage a minimum
